STAR of the SEA

Our Mission Statement:
To evangelize God's people beginning with the gift of the Holy Eucharist.

MAY 23 PENTECOST * PENTECOST (667 Black missal) **Latin Mass**

Mutual Enrichment Our parish offers the Holy Sacraments in both forms of the Roman Rite, the ordinary and extraordinary forms. You can get married, baptized, anointed, have your confession heard, and attend Mass in the older usage (1962 missal), or you can receive all those sacraments in the ordinary way, in English, according to the 2003 missal. Aren't we lucky at Star to have the richness of both forms of the Roman Rite? I am too young to have known the older form of the Mass, but in 2007 Pope Benedict asked priests to provide the sacraments in the older usage if a "stable community" requested it. About 20 of my parishioners were requesting it at the time, so I flew to Nebraska for a weeklong training at the Fraternity of St. Peter Seminary. I began offering the "Latin Mass" in early 2008, and have made what Pope Benedict called "mutual enrichment" my goal: to let both forms of the Roman Rite enrich each other. Some folks think that only the 2003 missal should be used, and some think that only the 1962 missal should be used. But I (along with Pope Benedict and Archbishop Cordileone) think that both forms have goodness and beauty that mutually enrich each other. I'm happy to see folks attending both forms of the Holy Mass here at Star of the Sea, drawing goodness and beauty from both. Starting this week, in response to a not a few requests, I will write a brief lesson on the Roman Rite in this column, called the "Liturgy Corner." I hope it will answer some of the questions people have asked, and help all of us appreciate both forms of the Roman Rite.

Fr. Mark on his ordination day with two priest-uncles, both Jesuits (!)

A "Threefer" + One Last week I mentioned that Fr. Chung and I would celebrate our anniversaries on June 26, but it occurred to me that Fr. Taheny also needs a celebration, since his 25th last year was "canceled" by the pandemic. June 26, therefore, will not be a "twofer" but a "threefer:" Fr. Chung's 10th, Fr. Taheny' s 25th, and my 30th. And while I'm at it, I'll add one more: Fr. Cameron Pollette. This son of the parish is actually still a deacon, but will have been ordained one week on June 26, and is glad to concelebrate *his first week's anniversary* with us old guys at the 4:30 Mass. Fr. Mark Doherty, rector of our seminary, will preach the Mass, and Fr. Cameron Faller, our vocations director, will speak at the reception following. To reserve a seat, please call the office or register at our website. In lieu of gifts to our priests, we've decided to direct all gifts to our school, **Stella Maris Academy**, which is having a little trouble balancing its budget. We had planned to direct gifts to the **Bella Women's Clinic**, San Francisco's only completely Catholic clinic of this sort, but Dolores (founding director) has graciously allowed me to redirect to the needs of our students. Seventy-five percent of them will be depending on the financial aid we will give, many coming from the Mission District. Thank you for your generosity! *Fr. Joseph Illo*

The Sunday Scriptures

By Fr. Joseph Illo (Acts 2: 1-11, 1 Cor 12:3b-7, 12-13 1; Jn 20: 19-23). **Pentecost** Today, fifty days after Easter, we conclude the Paschal Season with two Alleluias after the "Mass is ended." I can't wait to sing them, and sing them again in heaven! "I have much more to tell you," the Lord says in today's Gospel, "but you cannot bear it now." The Holy Spirit must strengthen us to receive the full gospel, the full cup of sacrifice, the Lord asks us to drain. Veni Sancte Spiritus!

Help Stop Taxpayer-Funded Abortion

WHAT

Congress is trying to force Americans to pay for abortion.

HOW

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century.

WHAT HAPPENS WITHOUT THESE PROTECTIONS?

Billions of taxpayer dollars could be used to pay for abortion.

TAKE ACTION

To start, sign this petition to Congress!

We'll be asking for additional action in the coming months. Please stay up-to-date here: sfarch.org/abortion

Stella Maris families met up at the Rossi playground on April 24. Two new families joined the Meet Up! The future preschoolers enjoyed being pushed on the swings while their parents chatted and got to know each other. The little ones also made many trips down the small slides. Some of the older children (elementary age students) played tag and broke out the scooters to get some speed! These older kids love climbing on all the high places in the more advanced part of the playground: webs and tall slides are a big part of their games of imagination.

Please contact Amy Moeck: amy.m.moeck@gmail.com, 310-694-6483, if you would like to be part of upcoming Stella Maris Meet Ups.
